## ABOUT ME

A proactive 3D generalist and multimedia designer who questions a lot and makes big-picture connections. Driven by turning complex problems into unconventional ideas and stories. I bring energy to teams and value a strong feedback culture.

# EDUCATION

### NHL STENDEN UNIVERSITY OF APPLIED SCIENCES
**Bachelor of Science (BSc) in**
**Communication & Multimedia Design**

*Leeuwarden, The Netherlands / September 2022 - June 2026*

- Bachelor's project: created a **3D animated** game trailer
- Utilised iterative process: from conceptualisation, testing, research to production of **interactive prototypes** (campaigns, apps, games) to identify user needs in real client projects
- Managed projects using the **SCRUM** methodology and helped to improve team collaboration in **multicultural** and **interdisciplinary** environments
- Prepared design **documentation** and insights, **presented** them effectively to stakeholders and incorporated their **feedback**
- Erasmus+ semester at *Howest University of Applied Sciences* (Kortrijk, Belgium) in **Digital Design and Development**
- *RUN-EU Short Advanced Programme* (Limerick, Ireland): **Drawing, Technology and Cultural Heritage** focused on observation and sketching skills in a cultural context

### SECONDARY BUSINESS ACADEMY

*Trnava, Slovakia / September 2017 - May 2022*

# EXPERIENCE

### INTERNSHIP: 3D GENERALIST AT BLUEFACES, S.R.O.

*Bratislava, Slovakia / September 2025 - January 2026*

- Assisted the **3D animation team** with tasks, such as hard and soft surface modelling, sculpting, UV mapping, hair groom, preparing shots for rendering (adjusting settings, replacing models in scenes, etc.), weight painting a driving shape key deformations in character models
- Adjusted and enhanced **3D textures**

### EBUY SUPPORT AT BEKAERT, A.S.

*Hlohovec, Slovakia / June 2022 - July 2022*

- Helped more than 50+ staff members and customers by delivering training, answering questions (Outlook, Teams) and communicating issues to the IT team and developers
